This is part of the joke, for the performances are certainly not intended for the young. And yet, to appreciate the Grand, Guignol, it is wise to become, for the Grand Guignol appeals to the primitive emotions, and if you cannot unprimitive emotions the first volume left unprimitive to the education, the scientist, tenters and chinese and this country is the second to be delified to abpreciate the finite and crimes, and gradually works himself that the same time good faith divides the proposition. Indeed, it may be stated that in these particulars our soldiers are worse off han are those of any other great nation, Even the Chinese in their reorganized army have made adequate provision for the care of their sick and wounded soldiers. All the nations of Europe recognize the obligations of their governments in the matter to the full.

In the past Great Britain has perhaps been more niggardly in providing for her army in this respect than has any other nation except our own, but her experience in the South African war was such a disastrous one that since then she has instituted many reforms. MARYLAND! MY MARYLAND!

Arenge the patriotic gore
That flecked the streets of Baltimore,
And be the battle queen of yore,
Maryland! My Maryland! Hark to an exiled son's appeal, My mother State, to thee I kneel, Maryland! For life and death, for woe and weal,

The despot's heel is on thy shore,

His torch is at thy temple door,

lahta, Janua: y 14:

Thy pectless chivalry reveal,
And gird thy beauteous limbs with steel,
Maryland! My Maryland! Come, 'tis the rea dawn of day, Come, with thy panoplied array, With Ringgold's spirit for the fray,

Thou wilt not cower in the dust, Maryland! Thy beaming sword shall never rust, Maryland! Remember Carroll's sacred trust, Remember Howard's warlike thrust, And all thy slumb'rers with the just, Maryland! My Maryland)

Dear mother, burst the tyrant chain

Virginia should not call in vain, Maryland!
She meets her sisters on the plain—
"Sic Semper!" 'tis the proud refrain
That battles minions back amain,

Arise, in majesty again, Maryland! My Maryland! Come! for thy shield is bright and strong, Maryland!
Come! for thy dalliance does thee wrong,
Maryland!
Come to thine own heroic throng,
Striking with Liberty along,

And give a new Key to thy song, Maryland! My Maryland I see the blush upon thy cheek, Maryland! For thou wast ever bravely meek, Maryland! Maryland!
But lo! there surges forth a shriek,
From hill to hill, from creek to creek,
Potomac calls to Chesapeake,
Maryland! My Maryland!

Thou wilt not yield the Vandal toll, Maryland! Thou wilt not crook to his control, Maryland! Better the fire upon thee roll. Better the shot, the blade, the bowl, Than crucifixion of the soul, Maryland! My Maryland!

I hear the distant thunder-hum, Maryland! The Old Line bagie, fife, and drum, Maryland! She is not dead nor deaf nor dumb-Huzza! She spurns the Northern scum! She breathes! She burns! She'll come! She'll
